***Disclaimer:** HiFX is not accountable for bank charges and fees that may be deducted by the client's bank, intermediary or receiving banks. The ZERO FEE thresholds are based on sending the transacted amount to a single beneficiary. If you intend to send funds to multiple beneficiaries from one contract, the first disbursement is free and all others are payable at the applicable fee, outlined in the table.

IMPORTANT: Your one free disbursement is only applicable when a recipient is attached to a transaction prior to settling your contract. If you do not assign a recipient prior to settling your contract your bought currency will be transferred to your available balances and held on account with HiFX. You will be charged for all future disbursements from your available balances.

HiFX have no control over bank charges levied or deducted by paying banks in delivering beneficiary payments.
